## QuickBooks™ CONNECT

**Access, work on, and share your accounting data online from anywhere, anytime — safe and reliable.**

With **QuickBooks™ CONNECT**, you have an instant network to connect:

**Accounting Resource Group,  
your “in-house” data entry teams,  
managers and owners...**

at the same time and in different locations with:

- no overhead.
- no delays.
- no sending private financial files across e-mail.

### **Taking the Best Care of Your Business**

For additional information:  
Phone: 952-593-1356  
E-mail: [linda\\_arg@qwest.net](mailto:linda_arg@qwest.net)

#### **Full Featured QuickBooks™**

Allows your company use of all QuickBooks™ features, which are not available with QuickBooks™ Online Edition.

#### **Immediate Coordination with Accounting Firm**

Allows Accounting Resource Group to take even better care of your needs by assisting your staff, sharing of data entry functions, reviewing and reconciling your books.

#### **Remote Access**

- Easily accessible by multiple users from multiple locations.
- Ability to download your company file at anytime to your own computer.

#### **Reliable**

- Files are backed up daily and stored in a secure data facility.
- Advanced virus protection with security you can trust.
- 24/7 systems monitoring.
- Industry standard firewall to protect your data.
- System up time 99.95%.
- 128 bit strong encryption applied to login information.

#### **Cost-effective**

- Reasonable monthly fee - no contract.
- Always the most current software without large upfront software investments, hassles or costs of installing and upgrading.

#### **Support Services**

- Experienced professionals taking care of your business.
- Unlimited e-mail technical support at no extra cost.
- No printing issues.
- Ability to control each users rights to various areas within QuickBooks™.
- QuickBooks™ accounting training available.
